INDEX

ABOUT US

With years of experience, we build a strong foundation to face challenges. With a team of integrated skills and expertise, we strive to provide financial auditing and tax accounting services that align with our partners and exceed their expectations in growth and success. Our goal is to relieve our clients from the burden of financial auditing and accounting, so they can focus all their efforts on development and expansion.

Al-Arabi for Audit and Financial Consulting was founded in 1996 by Mr. Fahmy Abdo, the company's CEO and a member of the Egyptian Society of Accountants and Auditors.

Registered Auditor and Accountant No. 11287
Central Bank of Egypt Auditor Registration No. 424

The background features a repeating pattern of light blue geometric shapes, specifically parallelograms and trapezoids, arranged in a staggered, interlocking fashion. The shapes are oriented diagonally, creating a sense of movement and depth. The colors are a very light, muted blue, providing a subtle contrast against the white background.
